ARTICLE V
ASSESSMENT FOR COMMON EXPENSES

- 5.01 Declarant, as initial owner of each Residential Unit now existing or to exist hereby imposes upon each Residential Unit an obligation to pay annual assessments which comprise a pro rata share of the costs of street lights, and the maintenance of subdivision entrance and yards. Declarant has installed street lights under a ten year contract with Duke Power at a cost of \$150 per month and is personally responsible to Duke Power for this cost. Also declarant will maintain entrance until all of the residential units are sold, or until duties are assumed by the association. Declarant anticipates pro rata reimbursement for these costs from the Association. The first years per unit cost is estimated at \$400 per year per unit. The Declarant or the Association shall have no power of assessment other than those mentioned above. Each subsequent owner of any home by acceptance of a deed, covenants and agrees to pay to the Association (1) annual assessment or charges. The annual assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Residential Unit and the owner thereof from time to time. Page 8

- 5.02 The full annual provided for herein shall commence as to any Residential Unit on the day of transfer of title of a Residential Unit and such payment shall continue on semi annual basis unless abated by the Board as provided in Section 4.08. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year and the number of days remaining in the month of initial occupancy. The semi-annual assessments shall be due and payable thereafter on January 1 and July 1 of each following year.
- 5.03 Except as hereinafter provided in Section 5.04 all annual assessments shall be fixed at a uniform rate for all Residential Units and shall be collected on an annual basis or any other basis approved by the Board of Directors.
- 5.04 Declarant is the initial owner of each Residential Unit and as such shall be entitled to exercise all rights, and shall be burdened with all obligations, of an owner appurtenant thereto, until such time as Declarant has conveyed title to such Residential Unit to another person. It is anticipated that Residential Units owned by the Declarant for sale to subsequent purchasers will not be furnished all of the services available to Residential Units which have been acquired by other owners. Residential Units owned by the Declarant shall, at the option of Declarant, be exempt from the payment of assessments until sold, rented, or occupied for a residence. Such exemption shall not affect the voting rights of the Declarant as a Residential Unit Owner as provided in Article IV, Section 4.02, hereto.
- 5.05 Any annual assessment not paid within forty-five (45) days after the due date shall be increased to include a penalty of 2% per month from the due date. The Association may bring an action at law against the owner personally or jointly and severally obligated to the same or foreclose the lien created herein securing the obligation to pay assessments penalties, costs and reasonable amount of such assessment in the same manner and in all respects as though secured by a recorded mortgage as provided by the laws of the State of South Carolina. No owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Residential Unit, or vote against any assessment or increase in assessment

Page 9

- 5.06 Written notice of any meeting called for the purpose of taking any action authorized shall be sent to all owners not less than ten (10) days nor more than fifty (50) days in advance of the meeting. At such meeting called, the presence of owners or of proxies entitled to cast one half (1/2) of all votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the proceeding meeting.
- 5.07 The Association shall have, and is hereby given, power to require full payment of all sums then due it from any Residential Owner as a condition precedent to the transfer of any interest in the Residential Unit owned by such Residential Owner.

ARTICLE VI

In the event such owner does not forthwith fully repay the Association therefor, as aforesaid, such lien may be foreclosed against the Residential Unit by the Association, in the same manner as hereinafter provided in connection with unpaid assessments. The Association's lien in this Section 6.04 provided for shall be subordinate to the lien of any first mortgage made by an institution customarily making first mortgage loans on residences in Spartanburg County, South Carolina now or hereafter placed upon the Residential Unit.
- 6.04 Each Residential Owner shall maintain in full force at all times insurance covering the Residential Unit owned by him consisting of, or providing all the protections afforded by, the insurance now generally described as fire, extended coverage vandalism and malicious mischief, to one hundred (100%) percent of the full insurable value thereof, with loss payable on the basis of the cost for replacement without deduction for depreciation. - 6.06 The failure by any Residential Owner to carry, maintain, or renew any insurance required by this Article VI shall give the Association the right (but not the duty) to proceed to obtain such insurance or lesser coverage as it may deem advisable, and the cost thereof shall be due to the Association from the owner of the Residential Unit so insured forthwith upon demand, and such cost shall be collectible in the same manner as assessments as described in Section 5.06.
- 6.07 In any case in which insurance proceeds shall not be paid or payable on account of any damage to, or destruction of, any Residential Unit, or shall be inadequate to fully cover the cost of repair, restoration or rebuilding which the Association is by the provisions of this Article VI required to carry out, the cost of such repair, restoration or rebuilding in excess of the amount of insurance proceeds available may be borne and paid for the Association, but without diminishing or in any way affecting any rights of recovery thereof which the Association may have by law against any person or persons who shall be directly or indirectly responsible for such damage or destruction by reason of any negligent or wrongful act or omission or against any Residential Owner for his failure to maintain insurance coverage in accordance with Section 6.04.
- 6.08 Notwithstanding anything to the contrary herein contained the obligations of the Association under the provisions of the Article VI shall be limited to the restoration and repair to or for so much of the Residential Units as constitutes exterior structural improvement upon the real estate and the Association shall not be responsible for repair, restoration, or replacement of any interior personal property of the Residential Owners or others which, although situated in, on or about the Residential Units, shall not be attached thereto so as to form an affixed part thereof.

Page 12

- 6.09 The Association may, but shall not be required to, obtain and maintain additional insurance as its Board of Directors shall from time to time deem prudent with respect to damage to or destruction of any property which is the responsibility of the Association to maintain, or of any or all of the Residential Units, from any cause not covered by the insurance hereinabove described, and may also obtain such other kinds of insurance protection against such other matters or happenings as its Board of Directors shall from time to time deem prudent. WHEREAS, prior to the sale of any of these individual living units, Declarant signed the "Covenants, Conditions, Restrictions, Reservations, Grants and Easements for West Hampton Townhomes", hereinafter known as "Covenants", which were duly filed in the Register of Deeds Office on June 20, 2001 in Deed Book 74-A, Page 527, and

WHEREAS, the property that would be subject to the Covenants would be the West Hampton buildings labeled Lots A to Z, along with those buildings labeled AA to JJ. However, due to scrivener's error, the plat reference (Exhibit A) was omitted. The correct reference for these building lots would be either Plat Book 148, Page 506, or Plat Book 150, Page 74. As building foundations were formed, surveys were drawn to show the exact boundary lines of each unit. These later surveys are referenced below.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS, that the said Covenants are hereby corrected by the Declarant pursuant to Section 2.01 which states, among other things, that "Declarant shall prepare or cause to be prepared plats of the property from time to time on which portions of the property is to be developed into Individual Residential Units."

In furtherance of this objective, the undersigned hereby corrects the scrivener's error of omission, and submits an Exhibit A herewith.

Declarant further corrects the Covenants to delineate the various numbered lots now shown by surveys on record for the Individual Residential Units, such being duly filed at the said Register of Deeds, as follows:

Any vehicles (other than landscape maintenance vehicles) parked in prohibited area will be towed at owner's expense.

Overflow parking of the same vehicle may not exceed a 24 hour period without the unit owner informing a BOD member and getting approval for a short extension. I.E. (Vacationing week long visitors) Our residential units were developed with allowances for only one or two car families. If a unit owner wishes to add additional parking (pad) to their unit, a written request must be given to the BOD for approval.

ARTICLE III

Provisions Relating to the Residential Units

3.01 Those portions of the Property shown and described on the Plat as Residential Units are hereby declared to be subject to the Covenants, set forth in this Declaration, to be and remain in effect until suchtime as amended, modified or revoked in accordance with the provisions of this Declaration.

The Residential Owner shall bear the burden of proof that plans have been submitted to the Association. In the event plans have not been approved or disapproved in writing by the Association within sixty (60) days after said plans have been submitted to it the plans shall be deemed to have been approved.

The Association shall have the right, at their election, to enter upon any lot during construction, erection, or installation of improvements or alterations to inspect the work being undertaken in order to determine that such work is being performed in conformity with approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

3.05 From and after the completion of the construction of each Residential Unit and the delivery thereof to its initial Residential Owner, no trade or business shall be carried on within any Residential Unit and no signs shall be placed on or within any Residential Unit (other than designations, in such styles and materials as the Association shall by regulation approve, of street addresses and names of Residential Owners) except that Residential Owners desiring to offer Residential Units for rent or sale have the right to place upon the Residential Unit concerned such "for rent" or "for sale" signs as

the Association may approve provided however, that nothing herein shall prevent Declarant from using any unit as a model or sales office even though not owned by Declarant or from using such other signs as Declarant may deem appropriate in the development of the Property or Phases II and III.

3.06 No domestic or other animals of any kind shall be kept or maintained within any Residential Unit, except for such birds, dogs, cats, ornamental fish and other household pets as may be permitted by regulations adopted by the Association from time to time. In any event all pets, while outside a Residential Unit, shall be kept on a leash or other proper restraint, and shall at all times while outside be accompanied by the Owner or the Owner's agent.

3.07 Laundry, bedding and the like shall not be hung out to dry in any position in which it is visible from the exterior of any Residential Unit. No vehicles, bicycles, carriages or other articles shall be without the Residential Units except when in use and except for automobiles parked in areas designated therefor.

3.08 Exterior television antennae and other electronic equipment shall be permitted only to the extent permitted by regulations adopted by the Association from time to time, it being expressly understood that the Association is hereby granted and shall have power to entirely prohibit the installation or continuation thereof, if the Association shall provide for master television antennae, cable television, or other equipment for the use of the owners of the Residential Units in lieu of any such prohibited equipment.

3.09 No noxious or offensive activity shall be carried on upon any Residential Unit, nor shall anything be done thereon which may be or become an annoyance or nuisance as determined by the Association.

3.10 No trailer, boat, tent or shack may be erected or placed on any Residential Unit or street whether temporary or permanent.

3.11 No healthy living trees over four (4) feet tall shall

be cut or removed from any Residential lot without the approval of the Association.

3.12 Each Residential Unit is hereby declared to be subject to an easement and right to, and in favor of the Association and each and all of its employees, agents and instrumentalities to go upon such Residential Unit for reasonable inspection thereof from time to time and for the purpose of carrying out any and all of the obligations and functions with respect to such Residential Unit as are herein imposed upon or permitted to the Association, expressly including, without limitation, the maintenance, repair and replacement of any and all of the facilities for the supply of utilities and other facilities, apparatus and equipment serving said Residential Unit and/or other Residential Units. Each Residential Unit is further declared to be subject to an easement in favor of any adjoining Residential Unit to the extent necessary to permit the maintenance, supply, repair, and servicing of utility services to the various Residential Units, and the repair or reconstruction thereof in the event of damage or destruction.

ARTICLE IV

Formation of Association

4.01 In order to carry out the intents and purposes hereof, a South Carolina non-profit corporation (hereinabove and hereinafter referred to as the "Association") will be formed and conducted as hereinafter set forth, for the benefit of the Residential Owners and to be known as Woodburn Club Property Owner's Association, Inc. The Association will be formed by Declarant at such time as shall be deemed appropriate by it not later than the time at which all of the Residential Units shall have been sold to Residential Owners, and if Declarant shall fail so to do by such time, then the Association may be formed at any time thereafter by action of any one or more of the Residential Owners. Regardless of when or by whom formed, the Association and its Articles of Incorporation and By-Laws shall conform to the provisions of this Article IV.

4.02 The record Owner, or Owners collectively, (including

contract sellers) of a fee simple title to any Residential Unit shall be a member of the Association, and shall be entitled to cast upon all matters upon which the members shall be entitled to vote, one vote for each Residential Unit, provided however that the Declarant or its agent shall be entitled to three (3) votes for each such Residential Unit owned by it instead of one vote. Upon sale or other transfer of any ownership interest in any Residential Unit, the ownership of the membership in such Residential Unit, the ownership of the membership in the Association and the said power to vote shall be deemed for all purposes as having been transferred to the person or other entity having acquired such ownership interest in proportion thereto. Each Residential Owner shall in advance of a meeting of the members of the Association, designate in writing, the particular individual who shall have the right to cast the vote in behalf of such Residential Unit.

4.03 The property shall be subdivided into no fewer than thirty six (36) individual units. For purposes of this Declaration the Declarant is deemed to be the owner of all thirty six (36) Residential Units as of the recordation hereof. The number of units owned by Declarant shall be increased in the event that the property is ultimately subdivided into more than thirty six (36) Residential Units. The number of Residential Units owned by Declarant shall be reduced by one for each Residential Unit conveyed to each individual Residential Owner. In the event that all or portions of Phase II and/or Phase III are incorporated hereunder as provided in Article 2.02 through 2.05, inclusive, Declarant shall indicate upon the recorded supplemental declaration(s) specified in 2.04 the approximate number of residential units which will form the addition. As of the date of the recordation of the supplemental declarations the Declarant shall be deemed to be the owner of the number of residential units stated in said supplemental declaration.

4.04 The provisions of Section 4.02 hereof shall be mandatory. No owner of any interest in any Residential Unit shall have any right or power to disclaim, terminate or withdraw

from his membership in the Association or any of his obligations as such member, and no purported disclaimer, termination or withdrawal thereof or therefrom on the part of any such owner shall be of any force or effect for any purpose.

4.05 The purpose of the Association shall be to perform all the functions provided in this Declaration to be performed by the Association and the Association shall have and possess all such powers as shall be necessary or appropriate for the accomplishment thereof.

4.06 The Association shall have a board of not less than five Directors who shall be elected by the members of the Association at such intervals as the corporate charter and By-Laws of the Association shall provide, except that vacancies in said Board occurring between regularly scheduled meetings of the members may be filled by the Board of Directors if so provided by the corporate charter or By-Laws. The Association shall have such officers as shall be appropriate from time to time, who shall be elected by the Board of Directors and who shall manage and conduct the affairs of the Association under the direction of the Board of Directors. Except as expressly otherwise provided by the charter or By-Laws, all power and authority to act on behalf of the Association both pursuant to this Declaration and otherwise shall be vested in its Board of Directors from time to time and its officers under the direction of said Board, and shall not be subject to any requirement or approval on the part of its members.

4.07 The making of changes or amendments in this Declaration or in the covenants, conditions, restrictions reservations, grants and easements herein set forth, and the amendment, modification and revocation thereof, all pursuant to the powers so to do granted or reserved to the Association in and by this Declaration, shall be done by the Association only upon recommendation of its Board of Directors with the approval by affirmative vote of not less than two-thirds (2/3) of the members entitled to be cast upon such matter. Provided however, that no such amendments, modifications or revocations shall be

effective without the written approval of Declarant until Declarant has divested itself of ownership of all property in Phase I, Phase II and Phase III of this Declaration or January 1, 1987, whichever occurs first. Provided further, that supplemental Declarations of the type as contemplated in Article II, Section 2.04 may be made by Declarant without recommendation of the Board of Directors or any vote of the Association.

4.08 The Association shall not distribute to its members any sums in the nature of dividends upon its shares. To the extent that funds shall not be required for current expenditures or for such reserves, the next annual assessment may, in the discretion of the Board, be eliminated or the amount thereof appropriately reduced. Such reduction shall not prevent reinstatement of or increase in such assessments when required, but such reinstatement or increase shall not be retroactive.

4.09 Whenever possible, the Association shall perform its functions and carry out its duties by entering into agreements for the performance thereof with such persons and business entities regularly engaged in the performance of generally similar functions and duties as the Board of Directors shall determine, which agreements shall be for such length of time, at such rates of compensation and upon such other terms and provisions as the Board of Directors shall determine from time to time. Such persons or business entities may, but need not, be persons of business entities owning or otherwise directly or indirectly interested in the Property or any part thereof. The Association itself shall also have power to perform its functions and carry out its duties, but shall do so only to the extent and so long as the performance pursuant to agreements as aforesaid shall not be reasonably feasible.

4.10 The Declarant may, at Declarant's option, specify certain portions of the property or Phase II or Phase III to remain as open or green spaces (hereinafter referred to as Commons). If Declarant makes said election the Association shall take legal title to said commons (subject only to current year taxes and ordinary utility company easements or rights-of-way)

and perform all maintenance on same. In any event, the Association shall not be required to receive title until such time as it has been incorporated as a South Carolina corporation and its charter issued by the Secretary of State of South Carolina.

ARTICLE V

ASSESSMENT FOR COMMON EXPENSES

5.01 Declarant, as initial owner of each Residential Unit now existing or to exist by way of subdivision of Phase II and/or Phase III, hereby imposes upon each Residential Unit an obligation to pay annual or special assessments from time to time as assessed by the Board. Each subsequent Owner of any lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (1) annual assessment or charges, and (2) special assessment for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the Residential Unit and the Owner thereof from time to time. Said lien shall be subordinate only to (1) ad valorem tax liens on the lot and improvements in favor of any governmental assessing unit, and (2) a first mortgage encumbering the Residential Unit. Upon receipt of sufficient consideration, the Association may, but is not obligated to, execute documents to effect a further subordination of such lien at the request of the Owner. Provided, however, that the further subordination of such lien shall not be unreasonably withheld by the Association if, at the time of an Owner's request for further subordination, (1) the Owner's payment history of the assessment created by this Section 6.01 is satisfactory to the Association in its sole discretion; and (2) the payment by the Owner of all assessments created hereby is current. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Residential Unit at the time when the assessment fell due and the joint and

several obligation of such owner and his successors in title except a purchaser at a foreclosure sale, in which event, the delinquent assessments shall be paid equally by the remaining Residential Owners to the extent they are uncollectible from the prior Owner or Owners. The Association shall promptly provide any Residential Owner, upon written request, a written statement of all unpaid sums assessed or imposed upon such Residential Owner pursuant to this Declaration. Any bona fide purchaser or mortgagee relying upon such a statement shall not be liable for, nor shall the Residential Unit involved be subject to a lien for, any amount in excess of that contained in the statement; provided, however, a Residential Owner owing an amount in excess of that so stated shall not thereby be relieved of the obligation to pay the same.

5.02 The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the Residential Owners; the administration, acquisition, improvement, management, maintenance and care of properties, services and facilities devoted to that purpose, including but not limited to, the cost of utilities, street lights, entrance sign lights, repairs, replacements, additions, the cost of labor, equipment, materials, management, and maintenance of all items to be maintained by the Association; the payment of any taxes assessed against any property owned by the Association; the payment of charges for garbage service, water, and sewer services rendered to the Common Area (if any); the employment of attorneys to represent the Association when necessary, and such other needs as may arise.

5.03 For the first calendar year or portion thereof the annual assessment shall be Twenty Five Dollars (\$25.00) per Residential Unit and may be increased by the Board each year up to ten percent (10%) of the previous year's assessment or Five Dollars (\$5.00), which ever is greater without approval of the Owners. Provided, however, that the maximum annual assessment may be increased more than the greater of ten percent (10%) above the assessment of the previous year or Five and No/100 Dollars

(\$5.00) for the purpose of obtaining a Blanket insurance policy on the property if an election to obtain such a policy or policies is made by the Board of Directors as provided in Section 6.08 herein. Provided however, that the maximum annual assessment may be increased more than the greater of ten percent (10%) above the assessment of the previous year or Five Dollars (\$5.00) by a vote in favor of such an increase by two thirds (2/3) of the members of the Association. The Board shall each year prepare or cause to be prepared, an annual budget showing the services furnished by the Association, the costs therefore, and revenues and their source.

5.04 In addition to the annual assessments authorized above, the Board may levy, in any calendar year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the property, or the repair or maintenance (not necessitated by casualty loss) of other items to be maintained by the Association including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two thirds (2/3) of the Residential Unit Owners' votes cast in person or by proxy at the meeting duly called for this purpose.

5.05 Written notice of any meeting called for the purpose of taking any action authorized under Section 5.03 or 5.04 shall be sent to all Owners not less than ten (10) days nor more than fifty (50) days in advance of the meeting. At such meeting called, the presence of Owners or of proxies entitled to cast two thirds (2/3) of all the votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the preceding meeting.

5.06 Except as hereinafter provided in Section 5.07, all annual assessments shall be fixed at a uniform rate for all Residential Units and shall be collected on an annual basis or any other basis approved by the Board of Directors.

5.07 Declarant is the initial Owner of each Residential

Unit and as such shall be entitled to exercise all rights, and shall be burdened with all obligations, of an Owner appurtenant thereto, until such time as Declarant has conveyed title to such Residential Unit to another person. It is anticipated that Residential Units owned by the Declarant for sale to subsequent purchasers will not be furnished all of the services available to Residential Units which have been acquired by other Owners. Residential Units owned by the Declarant shall, at the option of Declarant, be exempt from the payment of assessments until January 1, 1987. Such exemption shall not affect the voting rights of the Declarant as a Residential Unit Owner as provided in Article IV. Section 4.02 hereof.

5.08 The full annual assessment provided for herein shall commence as to any Residential Unit on the day of the completion and sale of a Residential Unit to its first Residential Owner and such payments shall continue on an annual basis unless abated by the Board as provided in Section 4.08. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year and the number of days remaining in the month of closing. The Annual assessments shall be due and payable within 30 days after completion of the Residential Unit and thereafter on January 1 of each following year.

5.09 Any annual assessment not paid within forty five (45) days after the due date shall be increased to include a penalty of One Dollars (\$1.00) per day from the due date. The Association may bring an action at law against the Owner personally or jointly and severally obligated to pay the same or foreclose the lien created herein securing the obligation to pay assessments in the same manner and in all respects as though secured by a recorded mortgage as provided by the laws of the State of South Carolina. Penalties, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment. In addition, all annual or special assessments from the date of default until completion of such foreclosure action shall accrue during the pendency of such action and shall be included in the amount due the Association at

the end of the proceeding. No Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of his Residential Unit, or vote against any assessment or increase in assessment.

5.10 The Association shall have, and is hereby given, power to require full payment of all sums then due it from any Residential Owner as a condition precedent to the transfer of any interest in the Residential Unit owned by such Residential Owner.

5.11 Two months assessment for each Residential Unit shall be required as a Reserve fund for contingencies of the Association. Each Residential Unit's share of the Reserve fund must be collected and transferred to the Association at the time of closing of the sale of each Residential Unit and maintained in an account for the use and benefit of the Association. The purpose of the fund is to insure that the Association will have cash available to meet unforeseen expenditures and replace depreciated capital improvements. Amounts paid into the fund are not to be considered as advanced payment of regular assessments.

ARTICLE VI

Repair, Restoration and Rebuilding, Insurance

6.01 In the event the Property or any part thereof or any of the Residential Units thereon shall be damaged or destroyed by fire, other casualty or any other cause or event whatsoever, the owner or owners of the property so damaged or destroyed shall cause it to be repaired, restored or rebuilt, as the case may be, as rapidly as possible to at least as good a condition as existed immediately prior to such damage or destruction, subject only to the right of the Association (which right is hereby granted to the Association) to authorize and direct such different action as shall be recommended by the Board of Directors and approved by affirmative vote of not less than two-thirds (2/3) of the members entitled to vote, which majority shall include the affirmative vote of all the members whose Residential Units shall have been damaged or destroyed and the holders of first mortgages on any such Residential Units.

6.02 All repair, restoration or rebuilding pursuant to the

provisions of this Article VI shall be carried out under such supervision and direction as the Board of Directors of the Association shall deem appropriate in order to assure the expeditious and correct completion of the work concerned, and the owner or owners of each Residential Unit which shall have been damaged or destroyed shall fully cooperate with, and abide by all instructions and directions of the Association in connection therewith.

6.03 The Association is hereby given and shall have the right reasonably to approve the architects, contractors and subcontractors to be employed in connection with such repair, restoration or rebuilding; to select a contractor, or contractors, to perform all or various parts of the work to be done upon the various Residential Units which shall have been damaged or destroyed by such casualty or other happening; to coordinate the progress of the work among such various Residential Units; and to hold the proceeds of any insurance which may be payable on account of such casualty or other happening and to control the disbursement thereof in such manner as to assure the sufficiency of funds for the completion of said work or for any other proper purpose.

6.04 In any case in which the owner or owners of the Residential Unit concerned shall fail to carry out and see to the repair, restoration or rebuilding required by the provisions of this Article VI, or shall request the Association to carry out and see to such repair, restoration or rebuilding, and, in any case, where more than one contiguous Residential Unit shall be involved, the Association shall carry out and see to the repair, restoration or rebuilding required by the provisions of this Article VI, provided, however, that to the extent the insurance proceeds referred to in Section 6.05 are insufficient as to any Residential Unit, the particular Residential Owner shall be responsible to the Association for such deficiency, and the Association shall have, and is hereby given, a continuing lien on the Residential Unit for which any such repairs or rebuilding are furnished by the Association in the aggregate amount of (a) the

cost thereof, (b) interest at the highest rate permitted by law, but not exceeding fifteen (15%) per cent per annum nor less than eight (8%) per cent per annum from the date of the Association's payment of such costs, and (c) reasonable attorney's fees and any court or other costs incurred by the Association in connection therewith, which lien shall bind such Residential Unit in the hands of such owner, his heirs, devisees, personal representatives, grantees and assigns. In the event such owner does not forthwith fully repay the Association therefor, as aforesaid, such lien may be foreclosed against the Residential Unit by the Association, in the same manner as hereinafter provided in connection with unpaid assessments. The Association's lien in this Section 6.04 provided for shall be subordinate to the lien of any first mortgage made by an institution customarily making first mortgage loans on residences in Spartanburg County, South Carolina, now or hereafter placed upon the Residential Unit.

6.05 Each Residential Owner shall maintain in full force at all times insurance covering the Residential Unit owned by him consisting of, or providing all the protections afforded by, the insurance now generally described as fire, extended coverage, additional extended coverage, vandalism and malicious mischief, to 100% of the full insurable value thereof, with loss payable on the basis of the cost of replacement without deduction for depreciation. All such insurance shall be issued by companies reasonably acceptable to the Association, shall name the Association as an additional insured and shall provide that all proceeds becoming payable on account of loss of or damage to such Residential Unit shall be payable to or as directed by the Association, subject only to the rights, limited as herein provided, of any mortgagee for value of the premises. The policies themselves or appropriate certificates showing the evidence of such insurance shall be furnished to the Association, (and new policies or certificates evidencing the renewal of each expiring policy of insurance shall be furnished to the Association), in each case at least 10 days prior to the

expiration date of the expiring insurance. The policies or certificates shall contain a provision that prior to cancellation, the Association shall receive at least 10 days written notice thereof. In the event a damaged or destroyed Residential Unit shall not be repaired, restored, or rebuilt pursuant to a decision not to repair, restore or rebuild as provided in Section 6.01, the proceeds of such insurance shall be payable to such Residential Owner, or the mortgagee of his Residential Unit as provided in Section 6.12.

6.06 The Association and its officers, directors, employees, agents and representatives shall have no liability to any Residential Owner for damage to or loss of either the Residential Unit of such Residential Owner or any personal property of said Residential Owner. Each insurer of any of said Residential Owner's interest in said Residential unit or personal property shall be bound by the provisions of this Section 6.06 and shall, by appropriate provision in each policy of insurance concerned, waive its rights of subrogation against the Association and its officers, directors, employees, agents and representatives.

6.07 The failure by any Residential Owner to carry, maintain, or renew any insurance required by this Article VI shall give the Association the right (but not the duty) to proceed to obtain such insurance or lesser coverage as it may deem advisable, and the cost thereof shall be due to the Association from the owner of the Residential Unit so insured forthwith upon demand, and such cost shall be collectible in the same manner as assessments as described in Section 5.09.

6.08 In the event that the Association finds it possible from time to time to effect broader or better coverage without increase in aggregate cost, or equivalent coverage at lesser cost, by the obtaining of a blanket policy or policies of insurance upon all the Residential Units in the Property, the Association shall have and is hereby granted power so to do at the election of its Board of Directors, subject to the consent of the various first mortgage holders on the Residential Units; and

each Residential Owner shall accept and pay a proportionate share of the cost of such insurance, whether by regular assessment or otherwise, in lieu of providing and paying for the individual policies of insurance hereinabove provided for.

6.09 In any case in which insurance proceeds shall not be paid or payable on account of any damage to, or destruction of, any Residential Unit, or shall be inadequate to fully cover the cost of repair, restoration or rebuilding which the Association is by the provisions of this Article VI required to carry out, the cost of such repair, restoration or rebuilding in excess of the amount of insurance proceeds available shall be borne and paid for the the Association, but without diminishing or in any way affecting any rights of recovery thereof which the Association may have by law against any person or persons who shall be directly or indirectly responsible for such damage or destruction by reason of any negligent or wrongful act or omission or against any Residential Owner for his failure to maintain insurance coverage in accordance with Section 6.05.

6.10 Notwithstanding anything to the contrary herein contained, the obligations of the Association under the provisions of this Article VI shall be limited to the restoration and repair to or for so much of the Residential Units as constitutes structural improvement upon the real estate and the Association shall not be responsible for repair, restoration or replacement of any personal property of the Residential Owners or others which, although situated in, on or about the Residential units, shall not be attached thereto so as to form an affixed part thereof.

6.11 The Association may, but shall not be required to, obtain and maintain additional insurance as its Board of Directors shall from time to time deem prudent with respect to damage to or destruction of any property which is the responsibility of the Association to maintain, or of any or all of the Residential Units, from any cause not covered by the insurance hereinabove described, and may also obtain such other kinds of insurance protection against such other matters or

happenings as its Board of Directors shall from time to time deem prudent. Provided, the Association shall maintain legal liability insurance in such amounts as the Board of Directors shall elect and the Association shall maintain fidelity bonds on all officers and/or directors who shall have charge or control over the collection and disbursement of Association funds.

6.12 Notwithstanding the foregoing, to the extent required by the terms of any mortgage for value of any part of the Property, the proceeds of any insurance becoming payable on account of any loss of, or damage to, the part of the Property so mortgaged shall be paid first to such mortgagee to the extent of its interest; provided, however, that such mortgagee shall cause or permit all such proceeds received by it to be applied upon the cost of repair, restoration or rebuilding of such loss or damage; and shall not apply or seek to apply such proceeds to reduce such mortgage, except for any excess of such proceeds over the full costs of such repair or restoration, unless it shall be determined in accordance with the provisions of this Declaration that such loss or damage is not to be rebuilt or restored.

ARTICLE VII

Interim Procedure

7.01 Until each of the various Residential Units shall have been conveyed by the Declarant to the first Residential Owner thereof the Declarant shall, with respect to each such unsold Residential Unit, have all the rights granted to the Residential Owners including, without limitation, the right to cast upon all matters upon which the members are entitled to vote, three votes for each such Residential Unit.

7.02 Until the Association shall have been organized and shall have assumed its duties and powers, the Declarant shall have all the rights, powers, duties and obligations herein granted to, or imposed upon, the Association and shall be authorized and empowered to take all such actions as the Board of Directors of the Association would have been authorized and empowered to take if the Association had then been formed.

7.03 The powers granted to the Declarant by Section 7.02

hereof shall include, without limitation, the power to assess upon and collect from the individual Residential Owners their respective assessments required for the carrying out of all the duties and obligations of the Association, except that the Declarant shall not obtain by means of any such assessment, reimbursement for any of the costs of the construction of any of the Residential Units or of the original improvements to or of the Commons (if any), it being the obligation of the Declarant to provide said initial construction at its cost.

ARTICLE VIII

Encroachments

8.01 In the matter of the construction and completion of each Residential Unit, certain eaves, roof overhangs, brick veneer or other wooden siding or other building materials that may be attached to the structural walls will or may encroach over onto either the air space or the real estate of the adjoining or contiguous Residential Unit. There is hereby created on each of said Residential Units so affected an easement three (3) feet in width for said encroachments or overhangs created by said construction. In addition if any such encroachment shall occur hereafter as a result of settling or shifting of improvements upon a Residential Unit a valid easement shall exist for such encroachment. In addition to the valid easements for each of said encroachments or overhangs there is also granted the right to maintain and repair the same so long as said encroachments and overhangs shall and do exist. In the further event that any Residential Unit is totally or partially destroyed and then rebuilt, the Owners of the Residential Units so affected agree that said encroachments and easements shall be permitted in the matter of the reconstruction and the right of maintenance shall continue to exist.

8.02 All of the property, including Residential Units shall be subject to a perpetual non-exclusive easement or easements in favor of all Residential Owners for their use and the use of their immediate families, guests, invitees, tenants or lessees for all proper and normal purposes and for ingress and egress and

regress and to such easements as shown on the recorded plat of the property or for water lines, telephone and electric power lines, television antenna lines, cable television lines and other public utilities as shall be established prior to subjecting the property to this Declaration by the Declarant or its predecessors in title and for the use of the owner, their families, guests and tenants.

8.03 Every portion of a Residential Unit which contributes to the structural support of the adjoining Residential Unit shall be burdened with an easement of structural support for the benefit of all other adjoining Residential Units.

8.04 Every Residential Unit shall be subject to an easement for entry by the Association for the purpose of correcting, repairing, or alleviating any emergency condition which arises upon any lot or within any Residential Unit that endangers any adjoining Residential Unit

8.05 The Association shall maintain a perimeter fence which shall enclose or partially enclose the property. An easement is hereby granted to the Association for the maintenance, replacement and repair of said perimeter fence.

ARTICLE IX

Obligations of Residential Owners

9.01 Each Residential Owner by acceptance of his deed covenants with all other Residential Owners to keep his Residential Unit in a good state of maintenance and repair including without limitation: painting and tuck pointing thereof at such intervals as shall be prudent, repair or replace all building material on the exterior of such Residential unit as the need arises due to ordinary wear and tear, maintain and repair the grounds and landscaping of the Residential Unit.

9.02 Notwithstanding anything to the contrary in this Declaration contained, if the Association shall incur any cost or expense for or on account of any item of maintenance, repair or other matter directly or indirectly occasioned or made necessary by any wrongful or negligent act or omission of any Residential Owner or of any agent, employee or invitee of any Residential

Owner, or failure of the Residential Owner to conform with the provisions of Section 9.01 above, such cost of expense shall not be borne by the Association but by such Residential Owner, and if paid out by the Association shall be paid or reimbursed to the Association by such Owner forthwith upon the Association's demand, and shall be collectible in the same manner as assessments. Prior to undertaking any maintenance upon any Residential Unit the Association shall provide the Residential Owner fifteen (15) days notice, as provided herein to perform the required maintenance or repair. If after fifteen (15) days notice corrective measures have not been taken by the Owner, the Association may enter the Residential Unit to perform said maintenance and collect the costs therefore as aforesaid. An easement to each Residential Unit is hereby granted to the Association to enter the Residential Unit and perform the necessary maintenance or repair.

9.03 By reason of the nature of the community herein contemplated, any violation on the part of any Residential Owner of any of the terms and conditions of this Declaration to be kept, observed or performed by him or any of the rules or regulations adopted by the Association pursuant to the authority herein granted to it so to do, will or is likely to result in damages which are irreparable or impossible to ascertain. Therefore, the Association shall have, and is hereby granted, the right to prevent any such threatened violation on the part of any Residential Owner, or the further continuation of any such violation, as the case may be, by means of injunctive proceedings, as well as by restricting or entirely suspending, for such period or periods as the Board of Directors of the Association may from time to time determine, the use by the offending person of any facility or service the use of which has been abused.

9.04 The various rights and remedies herein granted to the Association shall be in addition to all other rights and remedies which may be available and in addition to each other. All the rights and remedies available to the Association may be exercised

9.05 The failure of the Association to seek redress for any violation, or to enforce any term or provision of this Declaration or of any rule or regulation issued hereunder or pursuant hereto shall not be deemed a waiver of any such right of redress or enforcement, either as to any subsequent violation of a similar or other nature or as to any further continuation of any violation.

ARTICLE X

Amendments and Additional Rules

Provided however, that said adoption, amendment, modification or other alteration of any additional rules or regulations shall not conflict with this Declaration.

10.04 Any additional rules or regulations adopted by the Association pursuant to the authority granted to it in Section 10.03 hereof or any amendment or modification of any such additional rules or regulations shall be evidenced by an appropriate written instrument issued by the Association and shall become and be effective as of such date as shall be designated in such instrument, but not earlier than the date upon which such instrument shall be filed for record in the office of the Register of Mesne Conveyance for Spartanburg County, South Carolina if such recording shall be elected, and otherwise shall be effective as to each Residential Owner not earlier than the date upon which a full, true and complete copy of such instrument shall be transmitted to him in the manner herein provided for the service of notice upon him.

10.05 Whenever the Association shall cause any instrument to be placed of record in order to render effective any action taken pursuant to Sections 10.01 or 10.03 hereof, it shall be the duty of the Association to transmit a full, true and complete copy of such instrument to each Residential Owner promptly; provided, however, that failure so to do shall not invalidate or delay the effective date of any action effectuated by such instrument.

ARTICLE XI

STATE OF SOUTH CAROLINA)	SECOND AMENDMENT TO DECLARATION
)	OF COVENANTS, CONDITIONS,
)	RESTRICTIONS, RESERVATIONS,
COUNTY OF SPARTANBURG)	GRANTS AND EASEMENTS

WHEREAS, on July 20, 1984, Woodburn Club Associates executed a certain Declaration of Covenants, Conditions, Restrictions, Reservations, Grants and Easements (the "Declaration") for Woodburn Club Subdivision, Spartanburg County, State of South Carolina; and

WHEREAS, said Declaration was recorded in the RMC Office for Spartanburg County on July 23, 1984 in Deed Book 50Q, Page 205; and

WHEREAS, the Association, as defined therein, has not yet been formed by the Declarant, or otherwise; and

WHEREAS, under Section 7.02 of said Declaration, the Declarant has all rights, powers, duties and obligations granted or imposed therein to the Association and is further authorized and empowered to take all such actions as the Board of Directors of the Association would have been authorized and empowered to take if the Association had then been formed; and

WHEREAS, the Declarant desires to amend said Declaration in order to further the purposes of the said Declaration, as said purpose is set forth in Article I therein; and

WHEREAS, the Declarant is entitled to more than two-thirds (2/3) of the number of total votes required for amendment to the Declaration.

NOW, THEREFORE, pursuant to Articles 4.07 and 7.02 of the Declaration, the Declaration is amended as follows:

(1). Grounds Maintenance. The Association shall provide ground maintenance upon each Residential Unit. The maintenance of grounds shall include mowing grass, raking leaves, periodically fertilizing, re-seeding grass areas that become bare, weeding and mulching shrub beds, sweeping

paved areas including walks, parking spaces and drives. The care, pruning, trimming, removal and/or replacement of trees, bushes and shrubbery shall remain the responsibility of the individual Residential Unit Owner on whose lot the trees, bushes and/or shrubs are located.

Except as limited herein, an initial annual grounds maintenance fee of \$180.00 shall be assessed for each Residential Unit. Such assessment shall be a lien on the Residential Unit and personal obligation of the Residential Unit Owner to the same extent as annual assessments as set forth in Article V of the Declaration.

The ground maintenance fee shall be paid in four (4) equal quarterly installments of \$45.00 per quarter in advance beginning the first day of January 1986 and the first day of each third month thereafter. The Board of Directors or Association may increase or decrease the ground maintenance fee annually in the same manner as the annual assessment as provided in the Declaration. Any ground maintenance fee not paid within thirty (30) days of a due date shall be subject to penalty to the same extent on the annual Assessment.

Provided, however, that the Declarant shall provide the initial landscaping for all Residential Units owned by Declarant on the date hereof or which maybe incorporated under the Declaration hereafter and provided further that for any Residential Unit owned by the Declarant, the grounds maintenance fee shall not begin to accrue or be payable until the grounds have been fully landscaped. For such Residential Units, the ground maintenance fee shall commence to accrue and be payable at the beginning of the first quarter immediately after the grounds have been fully landscaped.

Any exterior portion of a Residential Unit which is (or becomes in accordance with the Declaration) enclosed by a privacy fence or wall shall be maintained by and at the expense of the Residential Owner of such Residential Unit. No such maintenance by a Residential Owner shall reduce the ground maintenance assessment payable by him to the Association.

(2). Leases. If any Residential Unit is leased the lease shall be in writing and provide that the terms of the lease and occupancy of the unit shall be subject in all respects to the provisions of the Declaration and any failure by any lessee to comply with the terms of such Declaration shall be a default under the lease.

(3). Declarant Approval. Article IV Section 4.07 is amended to reflect that no amendments, modifications or revocations shall be effective without the written approval of Declarant until Declarant has divested itself of ownership of all property in Phase I, Phase II and Phase III of this Declaration or December 31, 1987, whichever occurs first. Anything to the contrary in said Section is hereby deleted.

(4). Except as amended herein and/or as may be inconsistent herewith, the Declaration and the First Amendment thereto dated June 28, 1985 and recorded July 3, 1985 in Deed Book 51L, Page 137, RMC Office for Spartanburg County, South Carolina, is retained in its entirety.
